

TEATX PROMOTION 2019 Terms & Conditions

The following criteria must be met to be registered into this promotion:

1. The farm is a 'new user' of TeatX – i.e. TeatX has not been sampled, purchased or ordered for the current dairy farm in the last 12 months – this includes no record of TeatX free samples, purchases or orders in this time frame as recorded on Deosan's database or in the accounts database of participating rural supply stores and veterinary practices, and
2. The applicant must be the decision maker or a person with influence on the farm.
3. The farm should be supplying a dairy co-operative and have a herd size of at least 100 cows/goats/sheep to be eligible.
